

# 4500 MRC

Single Console Control with Neutral Lock Bar

- Enhanced aesthetics to complement any helm
- Ergonomically designed handles provide exceptional comfort
- Neutral lock bar provides added safety and easy, yet firm, gear positioning

*The optional Retro Fit Kit makes upgrading any console to the current design simple.*

## PLATINUM PLUS CABLES

If you are updating an existing single Mechanical Remote Control (MRC) to the current unit, consider replacing the existing solid core cables with Platinum Plus cables for smoother shifting. Test data proves replacing standard cables with Platinum Plus cables can provide a 30 percent improvement in the overall system performance.

*A full line of Platinum Plus cables is available from Mercury for all four versions (Gen I, Gen II, Gen I SAE and Gen II SAE).*

## DESCRIPTION

## PART NO.

OB Trim - Chrome	8M4507538
OB Trim - Black	8M4507541
No Trim - Chrome	8M4507540
MC Trim - Chrome	8M4507539
